DETAILED ACTION

Response to Amendment

The reply filed on 11-7-00 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the election of the claims by applicant is confusing. On one hand, applicant elects the invention of group I which includes claims 1-17, 29-34, and 41-71 and further elects species A which, according to applicant, includes claims 29-40. Based on these elections, it is not clear which claims should be examined since species A includes claims that are not in group I. A new election which clarifies this contradiction is required. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
